

ICL2026KYOTO

大

Date: Sep. 22nd ~ 26th, 2026

Place: Institute for Liberal Arts and Sciences, Kyoto University

The 21st International Conference on Luminescence

Plenary Speakers

AlN-Based Deep-UV Laser Diodes: A New Frontier in Luminescence Science and Engineering

Hiroshi Amano

Nagoya University

Susumu Noda

Kyoto University

Photonic-Crystal Surface-Emitting Lasers (PCSELS)— Physics and Applications —

Luminescence of Lanthanides in Water and Ice

Andries Meijerink

Utrecht University

Chihaya Adachi

Kyushu University

Advanced Organic Light-Emitting Devices Leveraging the Freedom of Molecular Design

Turning Scattering into Vision

Xiaogang Liu

National University of Singapore

Ling-dong Sun

Peking University

Luminescence of Lanthanide Nanoparticles: Challenges and Opportunities

White Light Sources Based on Nitride Semiconductor Light Emitting Devices and Phosphors

Takashi Mukai

NICHIA Corporation

ORGANIZING CHAIR: Setsuhisa Tanabe

ICL2026 Office: Yoshida-Nihonmatsu-cho, Sakyo-ku, Kyoto 606-8316, Japan

Welcome

We cordially invite you to attend **ICL 2026**, which will be organized at **Kyoto University**, Kyoto, Japan on **Sep. 22nd ~ 26th, 2026**.

The **ICL** conference has an old history of 60-years since 1966 and has been well organized every three years in different countries. We are honored to hold it again in Japan after 27 years.

The **ICL** is an international conference series held with a program focused on **all types of luminescent materials, the processes governing light emission and the applications of these systems.**

Registration

Registration type	Early registration fees (till May 31st, 2026)	Late registration fees
Regular participants	¥ 80,000	¥ 90,000
Students (Masters/PhD)	¥ 40,000	¥ 50,000
Invited speakers	¥ 50,000	¥ 60,000
Banquet	¥ 20,000	
Excursion	¥ 11,000	

Registration fees include the welcome party on Tuesday 22nd, lunch on 22nd~25th & coffee breaks everyday.

Banquet

Venue : Hotel Okura Kyoto

Date : Sep. 25th (Fri.)

18:30~

Important dates

Apr. 30th: Abstract Submission Deadline

May 31st: Early-bird Registration Deadline
(Discount applied)

Sep. 22nd: Conference start & Welcome Reception

Sep. 25th: Banquet (18:30~)

Sep. 26th: Closing & Farewell

Venue

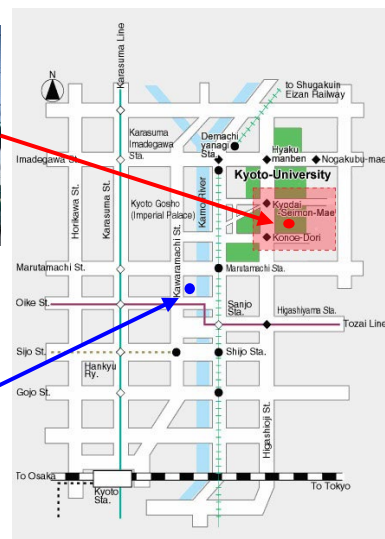

Institute for Liberal Arts and Sciences (ILAS), Yoshida-South, **Kyoto Univ., Kyoto**
80min. from **Osaka/KIX** airport by **JR Haruka**

ILAS, Kyoto Univ.

Hotel Okura Kyoto

The 21st International Conference on Luminescence (ICL 2026)

Date

Sep. 22nd~26th, 2026

Venue

**Kyoto University
Kyoto, Japan**

Plenary Speakers

Hiroshi Amano

Nagoya University

Susumu Noda

Kyoto University

Andries Meijerink

Utrecht University

Chihaya Adachi

Kyushu University

Xiaogang Liu

National University of Singapore

Ling-dong Sun

Peking University

Takashi Mukai

NICHIA Corporation

Invited Speakers

Akio Ikesue	<i>World-Lab. Co.,</i>
Andrea D. Pickel	<i>The University of Texas at Austin</i>
Artur Bednarkiewicz	<i>Polish Academy of Sciences</i>
Angela B. Seddon	<i>University of Nottingham</i>
Anna Painelli	<i>Parma University</i>
Andrea S.S. de Camargo	<i>BAM/FSU, Jena</i>
Chao-Nan Xu	<i>Tohoku University</i>
Carlos DS Brites	<i>University of Aveiro</i>
Chun-Che Lin	<i>National Taipei Univ. of Technology</i>
Dawei Di	<i>Zhejiang University</i>
Eva Hemmer	<i>University of Ottawa</i>
Erving Ximendes	<i>Autonomous University of Madrid</i>
Fiorenzo Vetrone	<i>INRS, Quebec</i>
Fan Zhang	<i>Fudan University</i>
Freddy T. Rabouw	<i>Utrecht University</i>
Guanying Chen	<i>Harbin Institute of Technology</i>
Hubert Huppertz	<i>University of Innsbruck</i>
J.-C. G. Bünzli	<i>EPFL, Lausanne</i>
Jiajia Zhou	<i>University of Technology Sydney</i>
Jennifer Hollingsworth	<i>Los Alamos National Laboratory</i>
Jianrong Qiu	<i>Zhejiang University</i>
Jakoah Brgoch	<i>University of Houston</i>
Jumpei Ueda	<i>Japan Adv. Inst. Sci. & Tech. (JAIST)</i>
Kyoko Kitamura	<i>Tohoku University</i>
Koichi Okamoto	<i>Osaka Metropolitan University</i>
Luís Dias Carlos	<i>University of Aveiro</i>
Miki Hasegawa	<i>Aoyama Gakuin University</i>
Mikhail Brik	<i>University of Tartu</i>
Michele Back	<i>Ca' Foscari University</i>
Muralee Murugesu	<i>University of Ottawa</i>

Martin Nikl	<i>Czech Academy of Sciences</i>
Markus Suta	<i>Heinrich Heine University Düsseldorf</i>
Niko Hildebrandt	<i>McMaster University</i>
Philippe Goldner	<i>CNRS - PSL University</i>
Philippe F. Smet	<i>Ghent University</i>
Pieter Dorenbos	<i>Delft University of Technology</i>
Pablo Acosta Mora	<i>University of La Laguna</i>
P. James Schuck	<i>Columbia University</i>
Rong-Jun Xie	<i>Xiamen University</i>
Ru-Shi Liu	<i>National Taiwan University</i>
Ryota Kabe	<i>Okinawa Inst. Sci. & Tech. (OIST)</i>
Rogéria R. Gonçalves	<i>University of São Paulo</i>
Riccardo Marin	<i>Ca' Foscari University</i>
Satoshi Horike	<i>Kyoto University</i>
Sebastian Mahlik	<i>University of Gdańsk</i>
Shun Omagari	<i>Institute of Science Tokyo</i>
Takayuki Yanagita	<i>Nara Inst. Sci. & Tech. (NAIST)</i>
Takashi Takeda	<i>NIMS, Tsukuba</i>
Víctor Lavín	<i>University of La Laguna</i>
Xueyuan Chen	<i>FIRSM, Chinese Academy of Sciences (CAS)</i>
Yasufumi Fujiwara	<i>Ritsumeikan University</i>
Yunqi Liu	<i>Institute of Chemistry, CAS</i>
Yong Zhang	<i>University of North Carolina at Charlotte</i>
Yasuchika Hasegawa	<i>Hokkaido University</i>
Yixi Zhuang	<i>Xiamen University</i>
Yanjie Liang	<i>Shandong University</i>
Yuichi Hirai	<i>NIMS, Tsukuba</i>

Local Organizers

Organizing Chair: **Setsuhisa Tanabe** (Kyoto Univ.)

Local Committee Chair: **Jumpei Ueda** (JAIST)
