# Welcome

We cordially invite you to attend **ICL 2026**, which will be organized at **Kyoto University**, Kyoto, Japan on **Sep. 22<sup>nd</sup> ~ 26<sup>th</sup>, 2026**.

The **ICL** conference has an old history of 60-years since 1966 and has been well organized every three years in different countries. We are honored to hold it again in Japan after 27 years.

The **ICL** is an international conference series held with a program focused on **all types of luminescent materials, the processes governing light emission and the applications of these systems.**

# Registration

| Registration type      | Early registration fees (till May 31st, 2026) | Late registration fees |
|------------------------|---|------------------------|
| Regular participants   | ¥ 80,000                                      | ¥ 90,000               |
